

Volunteering with the Friends of South Pass & South Pass City State Historic Site

Visitor Services & Gift Shop Clerk

What would I do?

1. Greet the public and orient them to the site
2. Schedule tours
3. Conduct sales of store items.
4. Collect admission from visitors.

What skills do I need?

1. Experience in retail
2. South Pass City Staff will train you!

What is the Schedule?

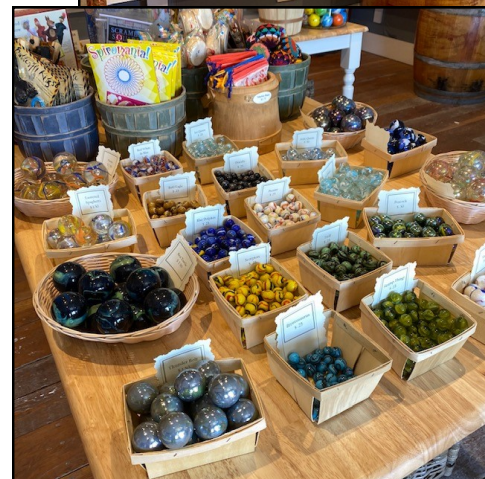

1. Fill in for the gift shop manager 3 days a week.
2. The schedule is determined by the Visitor Services Manger.

What impact will I have?

The Gift Shop is the first place visitors to the historic site go. They pay their admission there and get a brief orientation to the historic site, sign up for tours and of course shop for souvenirs. A people person can really impact the historic site by starting the visitor off on a high note. The gift shop features historic items, books, toys and so much more.

How do I sign up?

1. Use the following contact info!

307-332-3684 phone
