

# Volunteering with the Friends of South Pass & South Pass City State Historic Site

---

## Clerk in the Smith-Sherlock Company Store Exhibit

### *What would I do?*

1. Open & close the Smith Sherlock Store Exhibit
2. Demonstrate for visitors the operations & history of the Smith Sherlock Store
3. Answer visitor's questions about SPC & the area.

### *What skills do I need?*

1. Ability to talk with visitors
2. South Pass City Staff will train you!

### *What is the Schedule?*

1. The exhibit is open Saturdays & Sundays – in June, July & August
2. 11 am to 3 pm
3. Take one day or take them all! You will be part of a team of volunteers.

### *What impact will I have?*

In the next few years South Pass City & the Friends of South Pass will be working on restorations of the exhibits in SPC. The Smith Sherlock Company Store is the first in this project. Hands on demonstrations & working 19th century tech are our focus & volunteers like yourself will make that happen! Imagine helping a family make a call on a 1911 telephone or ringing up a sale on a 1904 cash register! You will be making memories.

### *How do I sign up?*

1. Use the following contact info!
